

Jessie Clear Up That Mess

Jessie Growden

A silent video documenting a childhood preoccupation performed by the adult artist. It was probably in the year 2000 that I discovered Dulux colour charts and the joy of chopping them up. I'm not sure what's in the space between then and now, but the satisfaction of the task remains.

Jessie Growden started making films in 2014 and is a founding member of the Moving Image Makers Collective. Her videos explore place, landscape and personal experiences through a playful approach to recording images. Her work focusses on the detail, the sentimental and the throwaway, and the history and lives of objects and places.
